

Jumeirah Golf Estates launches Redwood Park Phase 2

Dubai, UAE, 25 July 2016: Jumeirah Golf Estates, the leading residential golf community, successfully launched Phase 2 of its award-winning Redwood Park community to a marketplace of eager buyers on Monday 25 July.

The much anticipated sales event, which saw a major portion of the townhouses within Redwood Park sell out, welcomed a number of purchasers – with buyer confidence boosted by the recent announcement that construction of Phase 1 had reached over 80 percent completion, with total completion scheduled for Q4 this year. Sales agents also simultaneously formalized purchases with overseas buyers – following a major investment from Jumeirah Golf Estates in international profiling throughout 2015 and 2016.

Abdulaziz Bukhatir, Executive Director – Corporate Services, Jumeirah Golf Estates, commented, “While today’s buyers have become increasingly discerning, Redwood Park at Jumeirah Golf Estates is proving to have the necessary attributes to win global and local investor and end-user trust and buy-in, with attractive payment plans, a superior lifestyle promise and strong returns on investment making it the true standout contender in Dubai’s townhouse market.”

“This week’s launch has been extremely positive and we encourage interested buyers to act now to avoid missing out on this unrivalled opportunity,” concluded Bukhatir.

Overlooking Jumeirah Golf Estates’ championship golf course, Fire, Redwood Park has been one of the development’s top sellers since its launch. Representing Jumeirah Golf Estates’ first shift to embrace townhouse developments, the community was designed to answer a growing number of families and young professionals seeking more affordable property options, with prices starting from AED 2,898,000

Inspired by the Tuscan countryside, Redwood Park is a unique collection of spacious three- and four-bedroom townhouses, with spectacular fairway views of the Fire Course, beautiful landscaped gardens and located within walking distance of the Jumeirah Golf Estates Clubhouse and its extensive amenities.

Redwood Park offers two distinctive and functional design schemes, providing the perfect canvas for investors to decorate their dream home. The Choi design is elegant and minimalistic with light greyish tones perfectly suited to the 3 bedroom townhouses; whilst the Cabrera design is modern and timeless, with classic details and warm, elegant tones.
