

Jumeirah Golf Estates recognized as Best Residential & Leisure Destination 2017

Dubai, UAE, 15 March 2017: Jumeirah Golf Estates has been honoured as the Best Residential & Leisure Destination 2017 by the UAE Business Awards, hosted by MEA Markets Magazine.

The MEA Markets Magazine awards recognize and reward the work done by the Middle East and Africa's most talented, dedicated and experienced businesses, departments and individuals. The leading residential golf development was awarded by the international publication solely upon merit, citing its contribution towards providing some of the best products and services in one of the largest influential business regions from across the globe.

"It is a great honour to be awarded with yet another prestigious accolade for our contributions to the real estate sector in the region. As we push forward with the development of Jumeirah Golf Estates, we continue to see interest in our offering from international and local investors, as well as those looking to find the perfect home, which is testament to our efforts in responding to current market needs," commented Yousuf Kazim, CEO of Jumeirah Golf Estates.

Host to the DP World Tour Championship for eight consecutive years, Jumeirah Golf Estates offers an unparalleled residential community in the heart of new Dubai. In Q4 2016, Jumeirah Golf Estates reached many milestones in its development, including the expansion of its Clubhouse, including a state-of-the-art Sports Bar and 300-capacity ballroom, as well as the on-schedule handover of phase one of its luxury townhouse community, Redwood Park.

More recently, the award-winning development announced the launch of 95 townhouses as part of its mid-market community, Alandalus, with 65 units selling out within three hours of being released onto the market. Following the success of Alandalus, Jumeirah Golf Estates is set to announce further plans regarding its mid-market offering, as well as plans for the next phase of Jumeirah Golf Estates through its masterplan, in line with market demand.
