

## **Jumeirah Golf Estates enhances its personalised services with launch of in-house leasing brokerage and resale services**

**Dubai, UAE: December 6, 2016:** Jumeirah Golf Estates has today announced the launch of an in-house leasing brokerage and resale services, enabling buyers and leasers to deal directly with the developer as it enhances its personalized service offering.

Expanding its remit from developer and community manager to encompass this new function, Jumeirah Golf Estates will now offer leasing brokerage and resale services for a portfolio of homes within the award-winning community, including across sub-developments.

Esam Hasan Saleh, Executive Director – Business Development and Property Management, Jumeirah Golf Estates commented: “Over the past two years, we have proven our ability to redefine what Jumeirah Golf Estates stands for, and showcase our strengths to an ever-growing market of investors eager to call our community home. We enjoy strong relationships with our community members, and as part of our commitment to delivering a superior service experience, our brokerage service means buyers and sellers can now work directly with us from the very beginning of their new lifestyle at Jumeirah Golf Estates.”

The move comes as Jumeirah Golf Estates continues to redefine its development strategy and proposition in the marketplace.

“As a developer, we remain in tune with market needs and see a major opportunity in the resale market,” concluded Saleh.

Jumeirah Golf Estates is one of the Middle East’s most prestigious residential golf communities, offering a wide range of world-class facilities and more than 1,700 individually designed homes (constructed and under construction), with homes available for lease and resale across multiple communities including Redwood Avenue and Redwood Park.
